La Venetiana, a sixteenth century Venetian comedy. With introd. and English translation by Matilde Valentini Pfeiffer. New York, S. F. Vanni, 1950.
168 p. facsim. 20 cm.
"The Venetian" was first discovered and edited by Emilio Lovatini in 1928... after he had deciphered its text on folios 70-300 of a manuscript miscellany collected by Jacopo Morelli in 1760, now bearing the number Ital. ix, 238 (8072) in the Biblioteca Marciana at Venice. No other text of the play is known. Lovatini's... conjecture is that the play was written by... Girolamo Fracastoro.
